Certification No.	C0050
Certification date	2006/7/7
Name of TOE	Canon MFP Security Chip
Version of TOE	1.00
TOE category	IT product (cryptographic security chip)
Supplier	Canon Inc.
Contact	Name: Shinichi Ishida Division: Office Imaging Products Planning Division Tel: +81-3-3758-2111 E-mail: ishida.shin-ichi@canon.co.jp
Conformance claim	EAL3
PP conformance	None
Evaluation Facility	Japan Electronics and Information Technology Industries Association, Information Technology security center (JEITA ITSC)
Description of TOE	The TOE is the Canon MFP Security Chip and will be provided to end users as part of a security kit. The TOE allows protecting hard drives in Canon MFPs and printers from disclosure of confidential information due to theft, without sacrificing the extensibility, versatility, convenience and performance of Canon MFPs and printers. The TOE provides the following functions for protecting hard drives: - Hard drive data encryption - Cryptographic key management - Device identification and authentication
