The IT product identified in this certificate has been evaluated at an accredited and licensed evaluation facility within Malaysia using the Common Methodology for IT Security Evaluation, Version 3.1 Revision 5, for conformance to the Common Criteria for IT Security Evaluation, Version 3.1 Revision 5. This certificate applies only to the specific version and release of the product in its evaluated configuration and in conjunction with the complete Certification Report. The evaluation has been conducted in accordance with the provisions of the Malaysian Common Criteria Evaluation & Certification (MyCC) Scheme and the conclusions of the evaluation facility in the Evaluation Technical Report are consistent with the evidence adduced. This certificate is not an endorsement of the IT product by the MyCC Scheme or by any other organisation that recognises or gives effect to this certificate, and no warranty of the IT product by MyCC Scheme or by any other organisation that recognises or gives effect to this certificate, is either expressed or implied. By accepting this Certificate, the developer and/or sponsor is subject to abide under the Policy of MyCC logo usage.
